

A good plan goes a long way

leonardoerrati.lwe@gmail.com
www.leonardoerrati.com

Apprentice cryptographer, my main research areas are coding theory and protocol security. My interests include scientific communication and outreach. I always strive to create.

HARD SKILLS

Languages:

Java, R, Python, Magma, C, React, Angular, MatLab.

Tools:

LaTeX, Beamer, Canva, Office.

SOFT SKILLS

- Organization & Planning.
- Adaptability.
- Team leadership.

LANGUAGES

Italian: Mother tongue

English: Proficient

German: Beginner

AWARDS

Cyprus Tech Odyssey 2024
Hackathon, 1st Place

Matematica in gioco 2023
Archimede Prize, Venice

Catch The Mark 2022
Watermarking challenge, 1st Place

LEONARDO ERRATI

Apprentice Cryptographer

EXPERIENCE

Academic Experience

- Feb 2025 - Now **PhD Student**, Politecnico di Torino, IT [\[link\]](#)
Supervisors: Carlo Sanna, Edoardo Persichetti
- 2024 - 2025 **Research Fellow**, Università di Trento, IT [\[link\]](#)

Industrial Experience

- 2026 **Scientific Committee**, Bitcoin Observatory, IT [\[link\]](#)
Member of the Scientific Committee
- 2023 **R&D Intern**, Argentea SRL, IT [\[link\]](#)
Restructuring proprietary software architecture and organising protocol updates for their cryptography

Education

- Mar 2024 **M.Sc. in Cryptography**, Università di Trento, IT [\[link\]](#)
- Nov 2021 **B.Sc. in Mathematics**, Università di Trento, IT [\[link\]](#)

ACADEMIA

Teaching

- Mar 2026 **Crittografia, blockchain, codici**, PCTO Orientation
Lectures for high school students (Italian)

Selected Talks & Contributions

- Feb 2026 **ITASEC26**, Talk [\[link\]](#)
What the Pell: Cryptanalysis of Degree-two Pell Curves
- Sep 2025 **Cifris25**, Contribution [\[link\]](#)
Cryptographic Standards for Random Number Generation
- Mar 2025 **XRP Commons Paris**, Invited talk [\[link\]](#)
Post-Quantum Signatures for Blockchain

Selected Organising Experience

- Apr 2026 **HisTO26**, History of Cryptography in Turin [\[link\]](#)
- Sep 2025 **Cifris25**, Various Workshops [\[link\]](#)
'A Journey into Bitcoin's Cryptography', 'Quantum RNGs & Cryptography', 'History of Cryptography'

MISCELLANEA

Software & Tools

- Aug 2025 **'Peano' Beamer Theme**, PoliTo Cryptography Group [\[link\]](#)
Semi-official Beamer theme for presentations.
- Apr 2021 **'BeUnitn' Beamer Theme**, UniTN Math Department [\[link\]](#)
Semi-official Beamer theme for the Math Department.
